To Whom It May Concern:

I am writing a letter of recommendation in support of Fred Sarkari.

Over the last two years I have attended two presentations on understanding and adjusting to personalities where Fred was the guest speaker.

I am thrilled to say that Fred has the skills to keep very diverse groups of people fully engaged and inspired. Although he shared many new ideas to those in attendance, he did it in a way that was easy to understand and apply in our lives.

As past President of the Westbank & District Chamber Of Commerce - I have invited Fred to speak to our members on effective networking.

If you have any questions, do not hesitate to contact me
